

## MONGKOK EXPERIENCE

If your group wants to explore the markets of Mongkok that surround Cordis, Hong Kong, let us offer you a unique sneak preview.

Ignite your senses with the sights, sounds and smells of the different Mongkok street market stalls, fully integrated with our high definition LED video wall. Enjoy a taste of authentic, local Hong Kong by trying the city's signature street food and snacks in the comfort of the Hotel.

**CHA CHAAN TENG**

These famous tea restaurants emerged during the 1980s when many Westerners migrated here, giving rise to a wide variety of Western versions of local food. Our Cha Chaan Teng stall serves local favorites such as egg tarts, Hong Kong-style milk tea and egg and ham toasts.

**EGG WAFFLE TROLLEY**

The Hong Kong egg waffle is a sweet egg based waffle with a crispy outer shell and soft chewy inside. It is one of Hong Kong's most iconic and well loved street snacks – one not to be missed.

**FRUIT MARKET & GOLDFISH CORNER**

The fruit market is packed with stalls and shops that sell exotic fruits from around the world. Smell a mixture of fruity fragrances and try our fresh fruit skewers made with seasonal tropical fruits.

The goldfish market is loaded with rows of aquatic shops featuring thousands of goldfish and other marine creatures. We have replicated this scene with colourful goldfish-shaped jelly treats lining the walls of our Goldfish Corner.

**FLOWER MARKET**

The flower market is an oasis full of stalls that sell all kinds of flowers and plants. It is also a place where locals will go for auspicious blossoms that represent good fortune in Chinese culture. We bring to life not only the flower market but its exotic blooms and indulgence of rose-shaped icecream.

**HERBAL TEA SHOP**

Chinese herbal tea was listed as a Chinese Intangible Cultural Heritage item in 2006. Old fashioned herbal tea shops blend the wisdom of traditional Chinese medicine into the daily life of Hong Kong people. The distinctively flavoured five-flower tea and herbal tea leaf egg are two of the must try items.
